NEWS RELEASE – AUGUST 9, 2024

Argentina Lithium Appoints Vice President Corporate Development

Vancouver, BC / CNW / August 9, 2024 / Argentina Lithium & Energy Corp. (TSX-V: LIT, FSE: OAY3, OTCQX: LILIF), (“Argentina Lithium” or the “Company”) is pleased to announce the appointment of Mr. Pompeyo Gallardo as Vice President Corporate Development of the Company.

Mr. Gallardo has 29 years experience in corporate finance. He is highly skilled in project structuring and project financing, with emphasis in joint venture transactions, metal streams, royalties, off-takes, metal pre-pays, and other forms of unconventional debt. Mr. Gallardo has provided CFO and Corporate Development consulting services to several companies in the junior mining industry in Canada, with stress in companies with exposure in Latin American projects. Mr. Gallardo is also a former Financial Analyst at the Canadian Imperial Bank of Commerce and had held a Senior Credit Risk Management position at Scotiabank, International Banking. He is also a former CFO and Corporate Finance consultant at Red Cloud Klondike Strike, now Red Cloud Securities.

Nikolaos Cacos, President and CEO, commented: *“We are delighted to welcome Pompeyo as VP Corporate Development. He constitutes a great addition to our team, bringing his vast capital markets and finance experience to our growth plans execution efforts to move forward Argentina Lithium & Energy to the next level.”*

About Argentina Lithium

Argentina Lithium & Energy Corp is focused on acquiring high quality lithium projects in Argentina and advancing them towards production in order to meet the growing global demand from the battery sector. The Company's [recent strategic investment](#) by Peugeot Citroen Argentina S.A., a subsidiary of Stellantis N.V., one of the world's leading automakers, places Argentina Lithium in a unique position to explore, develop and advance its four key projects covering over 67,000 hectares in the Lithium Triangle of Argentina. Management has a long history of success in the resource sector of Argentina and has assembled some of the most prospective lithium properties in the world renowned “Lithium Triangle”. The Company is a member of the Grosso Group, a resource management group that has pioneered exploration in Argentina since 1993.

ON BEHALF OF THE BOARD
